Out of Field Teachers

In an effort to ensure that all students at Caloosa Middle School are provided the highest quality education by effective and skilled teachers, we are continually working to make sure all academic subjects meet the definition of Highly Qualified under the No Child Left Behind (NCLB) Act. The following teachers are Highly Qualified, but they are out of field and are currently working toward the needed endorsement: Aaron Rys, Kristin McGarry, Heather Crouse, Max Gesenhues, Justin Santasier, and Erika Elmore.
